EMPLOYMENT AND TRAINING

**The Industrial Training Levy (Engineering Construction
Industry Training Board) Order 2009**

Made - - - - - *3rd March 2009*

*Coming into force on the day after the day on which it is
made*

This Order is made in exercise of the powers conferred by section 11(2) and section 12(3) and (4) of the Industrial Training Act 1982(a) (“the Act”).

This Order is made to give effect to levy proposals submitted by the Engineering Construction Industry Training Board(b) pursuant to section 11(1) of the Act which, as required by section 11(3) of the Act, include proposals for the exemption of employers employing a small number of employees.

The levy proposals include proposals for securing that no exemption certificates shall be issued by the Board and the amount of levy payable by employers will exceed 0.2 per cent of their relevant emoluments in respect of the base period for each levy period. Accordingly, section 11(5) of the Act applies to this Order.

In relation to the requirements set out in section 11(5) of the Act the Secretary of State for Innovation, Universities and Skills is satisfied that the levy proposals are necessary to encourage adequate training in the industry and the condition mentioned in section 11(6)(a) is met.

The Secretary of State for Innovation, Universities and Skills estimates that the levy to be paid by employers in the industry exceeds one per cent of their relevant emoluments and accordingly this Order falls within section 11(7)(b) of the Act; the Secretary of State considers that the amount to be paid by employers in the industry is appropriate in the circumstances.

The Secretary of State for Innovation, Universities and Skills has consulted the Scottish Ministers as required by section 88(2) of the Scotland Act 1998(c).

(a) 1982 (c.10). Sections 11 and 12 were amended by paragraphs 10 and 11 of Schedule 4 to the Employment Act 1989 (c.38) and by sections 24, 25, 29 of and paragraphs 3 and 4 of Schedule 1 to the Further Education and Training Act 2007 (c.25).
(b) The Board was established under the Industrial Training (Engineering Board) Order 1964 (S.I. 1964/1086) as the Engineering Industry Training Board. The Board was re-named as the Engineering Construction Industry Training Board by the Industrial Training (Engineering Construction Board) Order 1991 (S.I. 1991/1305).
(c) 1998 (c.46). The Engineering Construction Industry Training Board has been specified as a cross-border public authority for the purposes of section 88 of the Scotland Act 1998 by the Scotland Act 1998 (Cross-Border Public Authorities) (Specification) Order 1999 (S.I. 1999/1319).

A draft of this Order was laid before Parliament in accordance with section 12(6) of the Act and approved by resolution of each House of Parliament.

Accordingly the Secretary of State for Innovation, Universities and Skills makes the following Order:

EXPLANATORY NOTE

(This note is not part of the Order)

This Order gives effect to levy proposals of the Engineering Construction Industry Training Board (“the Board”) which were submitted to the Secretary of State for Innovation, Universities and Skills under section 11 of the Industrial Training Act 1982 (“the Act”).

The levy proposals were for the imposition of a levy on employers engaged wholly or mainly in the engineering construction industry for the purpose of raising money towards the Board’s expenses. The proposals were also that the levy be imposed on employers who are not engaged wholly or mainly in the engineering construction industry but are engaged in activities that are specified in paragraph 1(a)(ii) of Schedule 1 to the Industrial Training (Engineering Board) Order 1964 (Schedule 1 to the 1964 Order was substituted by the Industrial Training (Engineering Construction Board) Order 1991).

The levy is to be imposed in respect of three levy periods in 2009, 2010 and 2011 (article 4).

The Board will calculate the amount of levy due in respect of each leviable establishment of an employer in accordance with article 8. This calculation is carried out with reference to the base periods in article 5. The total amount of levy payable by the employer is the aggregate amount of levy for all the employer’s construction establishments (article 9). An employer assessed to levy will receive a written assessment notice from the Board setting out the amount of levy payable by that employer (article 11). Payment of the levy must usually be made within one month of service of the assessment notice by the Board (article 15). An assessment notice may be withdrawn by the Board and the Board may also serve amended assessment notices (articles 12 and 13).

Article 10 makes provision for small employers to be exempt from the levy.

An employer assessed to levy may appeal against that assessment. An appeal must normally be made within one month of the date of service of the relevant assessment notice by the Board (article 16).

A full impact assessment of the effect that this Order will have on the costs of business is available from the Department for Innovation, Universities and Skills, Skills Group, Moorfoot, Sheffield S1 4PQ.
