

# ECITB Approved Centres for Vocational Qualifications

## SCOTLAND

### **WorleyParsons Services UK**

01224 291000

Annan House, Palmerston Road, Aberdeen, AB11 5QP

Supporting Engineering Construction Activities  
Engineering Construction Design and Draughting  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems Small Bore Tubing Assemblies  
Maintaining Engineering Construction Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Instrument and Controls  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Moving Engineering Construction Loads  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework

### **Dundee and Angus College**

01241 432600

Keptie Road, Arbroath, Angus, DD11 3EA

Engineering Construction Design and Draughting  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework

### **Falck Safety Services**

01224 255121

6 Wellheads Road, Aberdeen, AB21 7HG

Supporting Engineering Construction Activities  
Moving Engineering Construction Loads

### **Fife College**

01383 559133

Carnegie College, Pittsburgh Road, Dunfermline, KY11 8DY

Engineering Construction Non Destructive Testing  
Maintaining Engineering Construction Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Instrument and Controls  
Maintaining Engineering Construction Plant and Systems - Mechanical

### **Forde Training Services**

01506 832111

5A Houston Mains, Dechmont, West Lothian, EH52 6JU

Lifting and Positioning Engineering Construction Loads  
Steel Erecting  
Erecting Engineering Construction Capital Plant Steel Structures

### **Forth Valley College**

01324 403156

Grangemouth Road, Falkirk, FK2 9AD

Engineering Construction Design and Draughting

Engineering Construction Non Destructive Testing  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Maintaining Engineering Construction Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Instrument and Controls  
Maintaining Engineering Construction Plant and Systems - Mechanical

**Glasgow Clyde College**

0141 951 7400

College Square, Queens' Quay, Clydebank, G81 1BF

Engineering Construction Design and Draughting

**MetTECH**

01324 471411

Training Centre, Earls Gate, Falkirk Road, Grangemouth, FK3 8XZ

Supporting Engineering Construction Activities  
Supporting the Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Steel Erecting  
Lifting and Positioning Engineering Construction Loads  
Supporting the Fabricating of Engineering Construction Steel Structures - Plating  
Supporting the Installation of Engineering Construction Plant and Systems - Pipefitting  
Engineering Construction Non Destructive Testing  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Electrical  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems Small Bore Tubing Assemblies  
Maintaining Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Moving Engineering Construction Loads  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework  
Management

**Petrofac Facilities Management Limited**

01224 247946

Bridge View, 1 North Esplanade West, Aberdeen, AB11 5QF

Maintaining Plant and Systems - Electrical  
Maintaining Plant and Systems - Instrument and Controls

**West College Scotland**

0141 951 7400

Clydebank Campus, College Square, Queens Quay, Glasgow, G81 1BF

Planning Practice (Level 3 & 5)  
Project Control Practice (Level 3 & 5)

**Wood Group Engineering (North Sea) Ltd**

01224 851200

Sir Ian Wood House, Hareness Road, Altens, Aberdeen

Supporting Engineering Construction Activities  
Lifting and Positioning Engineering Construction Loads  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating

Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Electrical  
Installing Engineering Construction Plant and Systems - Pipefitting  
Maintaining Plant and Systems - Electrical  
Maintaining Plant and Systems - Instrument and Controls  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Moving Engineering Construction Loads  
Management

## **NORTH EAST**

### **AAA Assessments Ltd**

2 Strome Close, Ingleby Barwick, Stockton, TS17 0XJ

7894 200540

Moving Engineering Construction Loads

### **Hartlepool College of Further Education**

Stockton Street, Hartlepool, TS24 7NT

01429 295111

Fabricating Engineering Construction Steel Structures - Plating  
Welding Engineering Construction Plate

### **HTES (Northern)**

Ainsley Street, Mainsforth Terrace, Hartlepool, TS25 1TZ

01429 868657

Supporting Engineering Construction Activities  
Supporting Engineering Construction Operations  
Supporting Engineering Construction Welding Activities  
Supporting the Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Steel Erecting  
Lifting and Positioning Engineering Construction Loads  
Supporting the Fabricating of Engineering Construction Steel Structures - Plating  
Supporting the Installation of Engineering Construction Plant and Systems - Pipefitting  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Electrical  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems Small Bore Tubing Assemblies  
Maintaining Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Instrument and Controls  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Moving Engineering Construction Loads  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework  
Management

### **KT Associates**

Hawk House, Falcon Court, Preston Farm Business Park, Stockton, Cleveland, TS18 3TU

01642 602721

Project Control, Estimating, Planning and Cost Engineering (Level 2)  
Cost Engineering Practice (Levels 3)  
Planning Practice (Levels 3)

Project Control Practice (Levels 3 & 5)  
Management

**Middlesbrough College**

01642 298961

Middlehaven, Dock Street, Middlesbrough, TS2 1AD

Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Pipefitting  
Managing Welding Operations  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework

**NETA Training Trust**

01642 616936

Pennine Avenue, North Tees Industrial Estate, Stockton-on-tees, Cleveland, TS18 2RG

Supporting Engineering Construction Activities  
Supporting Engineering Construction Operations  
Supporting Engineering Construction Welding Activities  
Supporting the Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Steel Erecting  
Lifting and Positioning Engineering Construction Loads  
Project Control, Estimating, Planning and Cost Engineering  
Supporting the Fabricating of Engineering Construction Steel Structures - Plating  
Supporting the Installation of Engineering Construction Plant and Systems - Pipefitting  
Engineering Construction Design and Draughting  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Electrical  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems Small Bore Tubing Assemblies  
Maintaining Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Instrument and Controls  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Moving Engineering Construction Loads  
Project Control Practice (Level 3)  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework  
Management

**Siemens Power Generation**

0191 276 1188

CA Parsons Works, Newcastle Upon Tyne, NE6 2TL

Supporting Engineering Construction Activities  
Supporting the Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Engineering Construction Design and Draughting  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Maintaining Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Moving Engineering Construction Loads  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework  
Management

**Teesside Rigging And Lifting Ltd**

01642 438130

Unit 1 Teesway Park, Portrack Lane, Stockton, TS18 2RS

Supporting Engineering Construction Activities  
Moving Engineering Construction Loads  
Lifting and Positioning Engineering Construction Loads  
Steel Erecting  
Erecting Engineering Construction Capital Plant Steel Structures

**NORTH WEST**

**Alliance Learning Limited**

01204 696744

The Hurst Building, Horwich Business Park, Chorley New Road, Horwich, Bolton, BL6 5UE

Supporting Engineering Construction Activities  
Supporting Engineering Construction Operations  
Steel Erecting  
Supporting the Fabricating of Engineering Construction Steel Structures - Plating  
Erecting Engineering Construction Capital Plant Steel Structures  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Fabricating Engineering Construction Steel Structures - Plating  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Moving Engineering Construction Loads  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework

**Barnsley College**

01226 216216

The Cube, Honeywell Lane, Barnsley, S75 1BP

Engineering Construction Design and Draughting

**Gen II Engineering Technology Training Ltd**

01946 701300

Lillyhall Business Centre, Blackwood Road, Workington, Cumbria, CA14 4HA

Supporting Engineering Construction Activities  
Supporting Engineering Construction Operations  
Supporting the Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Engineering Construction Design and Draughting  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Electrical  
Installing Engineering Construction Plant and Systems - Pipefitting  
Maintaining Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Instrument and Controls  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework  
Management

**Lakes College West Cumbria**

01946 839300

Hallwood Road, Workington, CA14 4JN

Supporting Engineering Construction Activities  
Supporting Engineering Construction Operations  
Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Mechanical Fitting

**Severfield (UK) Ltd**

01204 699999

PO Box 9, Lostock Lane, Lostock, Bolton, Lancashire, BL6 4TB

Supporting Engineering Construction Activities  
Moving Engineering Construction Loads  
Lifting and Positioning Engineering Construction Loads  
Steel Erecting  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Managing Welding Operations  
Welding Engineering Construction Plate

**STEGTA**

0161 877 4078

4th Floor Duckworth House, Talbot Road, Manchester, M32 0FP

Supporting Engineering Construction Activities  
Engineering Construction Design and Draughting  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Pipefitting  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework  
Management

**Stockport Engineering Training Association Ltd**

0161 4809822

18 Hammond Avenue, Whitehill Industrial Estate, South Reddish, Stockport, SK4 1PQ

Supporting Engineering Construction Activities  
Engineering Construction Design and Draughting  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Electrical  
Cost Engineering Practice (Level 3)  
Estimating Practice (Level 3)  
Project Control Practice (Level 3)  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework

**The Assessment Services Centre**

01270 764798

Lea House, 5 Middlewich Road, Sandbach, Cheshire, CW11 1XL

Project Control, Estimating, Planning and Cost Engineering (Level 2)  
Cost Engineering Practice (Levels 3 & 5)  
Estimating Practice (Levels 3 & 5)  
Planning Practice (Levels 3 & 5)  
Project Control Practice (Levels 3 & 5)

**The Engineering College**

0151 666 1028

Church Street, Monks Ferry, Birkenhead, Merseyside, CH41 5LH

Supporting Engineering Construction Activities  
Supporting Engineering Construction Operations  
Supporting Engineering Construction Welding Activities  
Supporting the Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Steel Erecting  
Lifting and Positioning Engineering Construction Loads  
Project Control, Estimating, Planning and Cost Engineering  
Supporting the Fabricating of Engineering Construction Steel Structures - Plating  
Supporting the Installation of Engineering Construction Plant and Systems - Pipefitting  
Engineering Construction Design and Draughting  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Electrical  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems Small Bore Tubing Assemblies  
Maintaining Plant and Systems - Electrical  
Moving Engineering Construction Loads  
Project Control Practice (Level 3)  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework  
Management

**Training 2000**

01254 54659

Furthergate Business Park, Harwood Street, Blackburn, BB1 3BD

Engineering Construction Design and Draughting  
Steel Erecting  
Installing Engineering Construction Plant and Systems - Electrical  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Project Control Practice (Level 3)  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework

**YORKSHIRE & HUMBERSIDE****AJ Training and Assessment**

01924 502492

21 Briestfield Road, Dewsbury, WF12 0PW

Moving Engineering Construction Loads  
Lifting and Positioning Engineering Construction Loads  
Steel Erecting  
Erecting Engineering Construction Capital Plant Steel Structures  
Supporting Engineering Construction Activities  
Supporting Engineering Construction Welding Activities  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework

**C & G Assessments and Training**

0114 251 1584

Venture One Business Park, 22 Long Acre Close, Sheffield, S20 3FR

Moving Engineering Construction Loads  
Lifting and Positioning Engineering Construction Loads  
Steel Erecting  
Erecting Engineering Construction Capital Plant Steel Structures

**Construction Training Academy**

0333 202 7170

Unit 14, West Stockwith Business Park, Doncaster, DN10 4ES

Moving Engineering Construction Loads  
Lifting and Positioning Engineering Construction Loads  
Steel Erecting  
Erecting Engineering Construction Capital Plant Steel Structures

**Grimsby Institute of Further and Higher Learning**

01472 315555

Nuns Corner, Laceby Road, Grimsby, N E Lincs, DN34 5BQ

Supporting Engineering Construction Activities  
Supporting Engineering Construction Operations  
Steel Erecting  
Engineering Construction Design and Draughting  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Electrical  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Moving Engineering Construction Loads  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework

**Humberside Engineering Training Association**

01482 826635

Copenhagen Road, SuttonFields Estate, Hull, HU7 OXJ

Engineering Construction Non Destructive Testing  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Electrical  
Maintaining Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework  
Management

**Industry Veterans**

01742 898457

5 Primrose Way, Scunthorpe, DN15 8XQ

Supporting Engineering Construction Activities  
Moving Engineering Construction Loads  
Steel Erecting  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems - Mechanical Fitting

**Leeds College Of Building**  
North Street, Leeds, LS2 7QT

0113 222 6000

Moving Engineering Construction Loads  
Lifting and Positioning Engineering Construction Loads  
Steel Erecting  
Erecting Engineering Construction Capital Plant Steel Structures

**North Lindsey College**  
Kingsway, Scunthorpe, DN17 1AJ

01724 294040

Supporting Engineering Construction Activities  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems - Electrical  
Moving Engineering Construction Loads  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework

**Vocational Training Associates**  
42 High Street, Messingham, DN17 3NT

01724 763579

Lifting and Positioning Engineering Construction Loads  
Supporting the Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Steel Erecting  
Installing Engineering Construction Plant and Systems Small Bore Tubing Assemblies  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Pipefitting  
Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Maintaining Engineering Construction Plant and Systems - Mechanical  
Moving Engineering Construction Loads  
Welding Engineering Construction Plate  
Welding Engineering Construction Pipework

**Yorkshire Training Services Ltd**  
Moor Lane Trading Estate, Sherburn-in-Elmet, Leeds, LS25 6ES

01977 683164

Moving Engineering Construction Loads  
Lifting and Positioning Engineering Construction Loads  
Steel Erecting  
Erecting Engineering Construction Capital Plant Steel Structures  
Installing Engineering Construction Plant and Systems - Electrical  
Maintaining Engineering Construction Plant and Systems - Electrical

## **MIDLANDS**

**Doosan Power Systems Ltd**  
PO Box 8, Birmingham New Road, Tipton, West Midlands, DY4 8YY

0121 557 3451

Supporting Engineering Construction Activities  
Supporting Engineering Construction Operations  
Supporting Engineering Construction Welding Activities  
Supporting the Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Steel Erecting  
Lifting and Positioning Engineering Construction Loads  
Project Control, Estimating, Planning and Cost Engineering

Welding Engineering Construction Pipework  
Management

**Newcastle Under Lyme College**

01782 254205

Knutton Lane, Newcastle Under Lyme, Staffordshire, ST5 2GB

Installing Engineering Construction Plant and Systems - Mechanical Fitting  
Welding Engineering Construction Pipework

**Shropshire County Council Training**

01743 255151

3rd Floor, Link Corridor, Shirehall, Shrewsbury, SY2 6ND

Engineering Construction Design and Draughting

**Stafford College**

07855 223800

Earl Street, Stafford, ST16 2QR

Engineering Construction Design and Draughting

**TMS (International) Ltd**

07824 504266

Keepers Gate, West Carr Road, Ordsall, Retford, Notts, DN22 7NN

Supporting Engineering Construction Activities  
Supporting the Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Steel Erecting  
Lifting and Positioning Engineering Construction Loads  
Erecting Engineering Construction Capital Plant Steel Structures  
Fabricating Engineering Construction Steel Structures - Plating  
Installing Engineering Construction Plant and Systems - Mechanical Fitting

## **SOUTH WEST & WALES**

### **Bridgwater College**

01278 441346

Wellington Road, Taunton, TA1 5AX

Welding Engineering Construction Plate  
Welding Engineering Construction Pipework  
Maintaining Engineering Construction Plant and Systems - Mechanical

### **Pembrokeshire College**

01437 765247

MITEC Centre, The Docks, Milford Haven, Pembrokeshire SA73 3AA

Supporting Engineering Construction Activities  
Supporting Engineering Construction Operations  
Supporting Engineering Construction Welding Activities  
Supporting the Installation of Engineering Construction Plant and Systems - Mechanical Fitting  
Installing Engineering Construction Plant and Systems Small Bore Tubing Assemblies  
Erecting Engineering Construction Capital Plant Steel Structures
