Locations where training is required

Training skills and products

- Auditing
- Carbon literacy / Net zero awareness
- Diversity and inclusion
- Electrical skills (CompEX, 18th edition, etc.)
- <u>Fabric maintenance (Painting, blasting, etc.)</u>
- Health and safety (NEBOSH, CCNSG, IOSH, etc.)
- Higher education (HNC/HND, degrees, etc.)
- Inspection (NDT, etc.)
- Leadership and management (ILM, CMI, etc.)
- <u>Lifting (Slinging, rigging, cranes, etc.)</u>
- Plant operations (FLT, driving, abrasive wheels, etc.)
- Project management and control (APM, risk, estimating, contract management, etc.)
- Supervisory (ECITB supervisor, SMSTS, SSSTS, etc.)
- Work access (PASMA, IPAF, confined space, IRATA, working at height, etc.)

Discipline specific training

- Commercial and contract awareness
- Design and draughting
- Electrical fitting
- <u>Electrical maintenance</u>
- Estimating
- Industrial drones
- Instrumentation and control
- Mechanical fitting

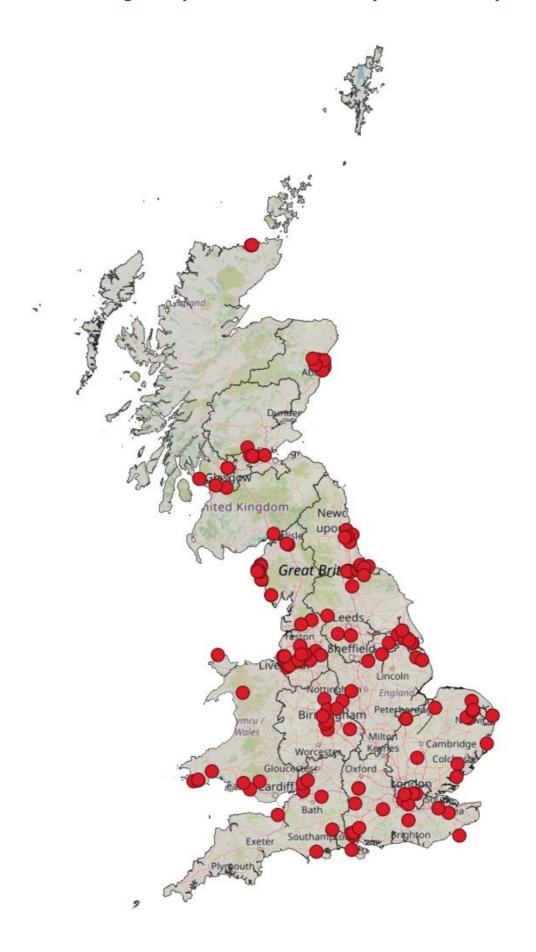

Back to main page

- Mechanical joint integrity (MJI)
- Mechanical maintenance
- Non-destructive testing (NDT)
- <u>Pipefitting</u>
- Plant layout and design
- <u>Plating</u>
- Project controls
- Project management
- Rigging
- Small bore tubing (SBT)
- Steel erecting
- Supporting operative
- Welding
- Wind turbine (incl. statutory inspection and hub rescue)

Locations where training is required - Great Britain (204 locations)

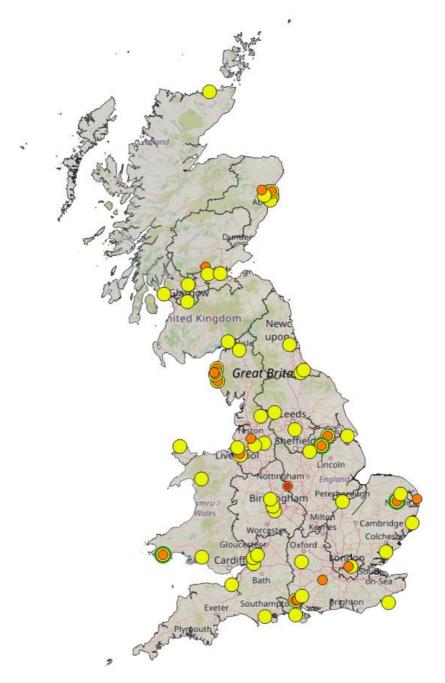

When do you predict the following training will be needed in 2024? Auditing

Reskill area / 4 locations

Medium term (Q3-Q4) / 61 locations

Short term (Q1-Q2) / 29 locations

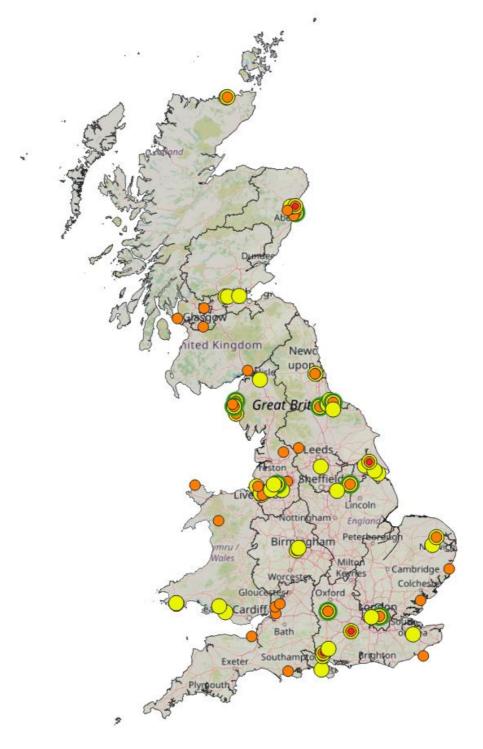

Priority training for 2024 / 3 locations

When do you predict the following training will be needed in 2024? Carbon literacy / Net zero awareness

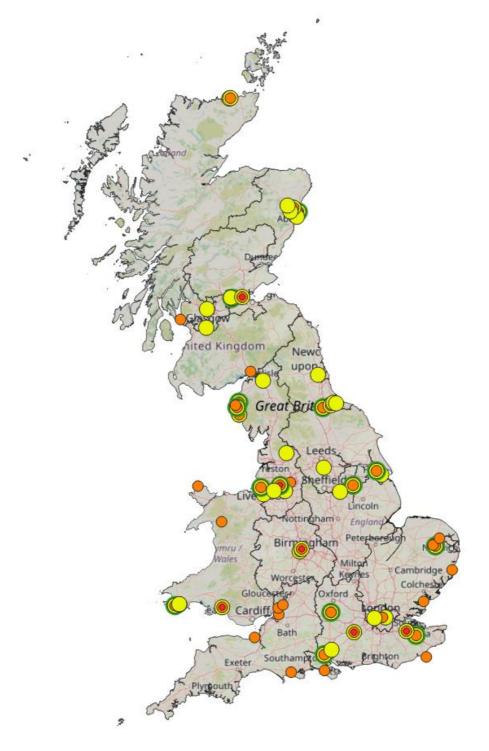

0	Reskill area	/ 15 locations
	Medium term (Q3-Q4)	/ 72 locations
	Short term (Q1-Q2)	/ 59 locations
•	Priority training for 2024	/ 12 locations

When do you predict the following training will be needed in 2024? Diversity and inclusion

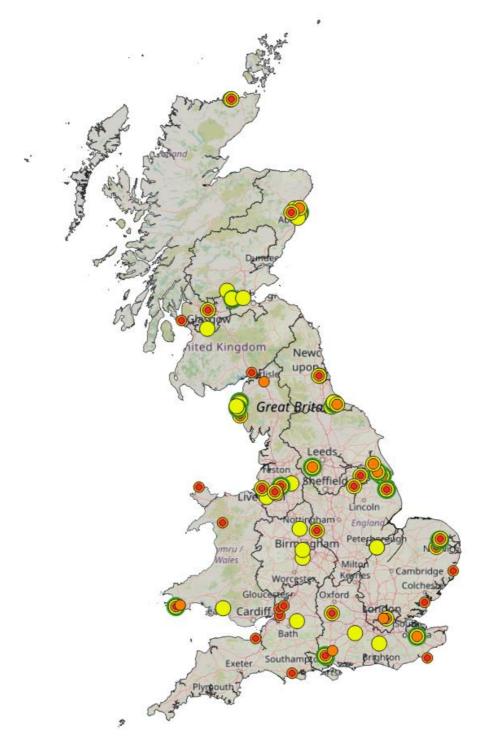

0	Reskill area	/ 16 locations
	Medium term (Q3-Q4)	/ 63 locations
	Short term (Q1-Q2)	/ 55 locations
•	Priority training for 2024	/ 9 locations

When do you predict the following training will be needed in 2024? Electrical skills (CompEX, 18th edition, etc.)

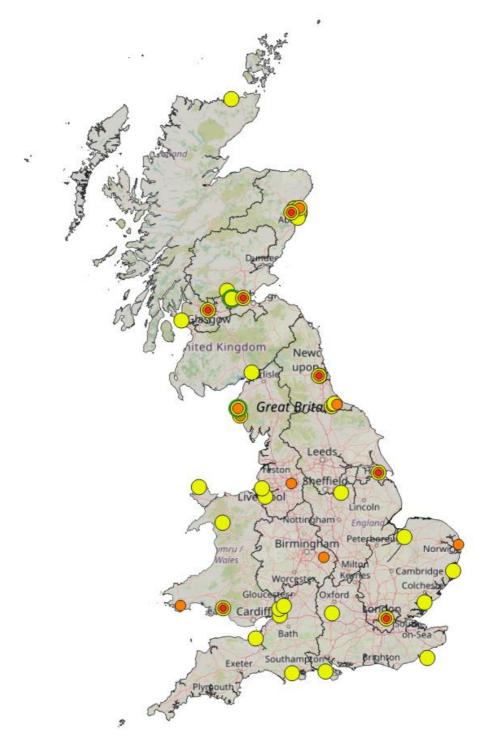

0	Reskill area	/ 16 locations
	Medium term (Q3-Q4)	/ 79 locations
	Short term (Q1-Q2)	/ 65 locations
•	Priority training for 2024	/ 41 locations

When do you predict the following training will be needed in 2024? Fabric maintenance (Painting, blasting, etc.)

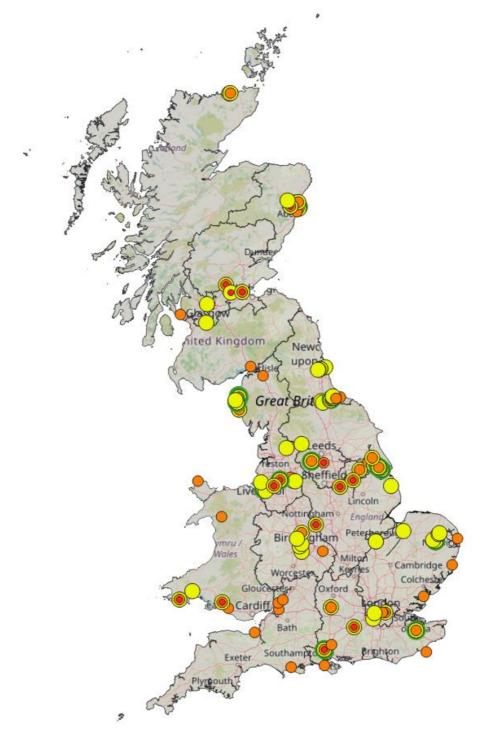

0	Reskill area	/ 3 locations
	Medium term (Q3-Q4)	/ 43 locations
	Short term (Q1-Q2)	/ 22 locations
•	Priority training for 2024	/ 10 locations

When do you predict the following training will be needed in 2024? Health and safety (NEBOSH, CCNSG, IOSH, etc.)

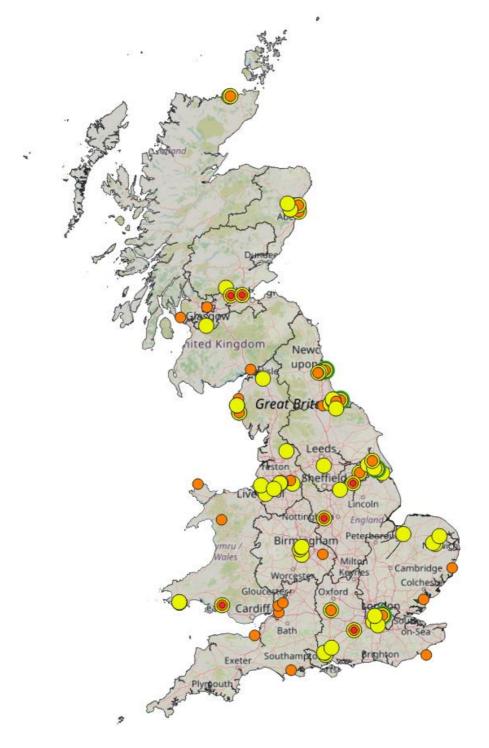

Reskill area	/ 15 locations
Medium term (Q3-Q4)	/ 100 locations
Short term (Q1-Q2)	/ 96 locations
Priority training for 2024	/ 29 locations
	Medium term (Q3-Q4) Short term (Q1-Q2)

When do you predict the following training will be needed in 2024? Higher education (HNC/HND, degrees, etc.)

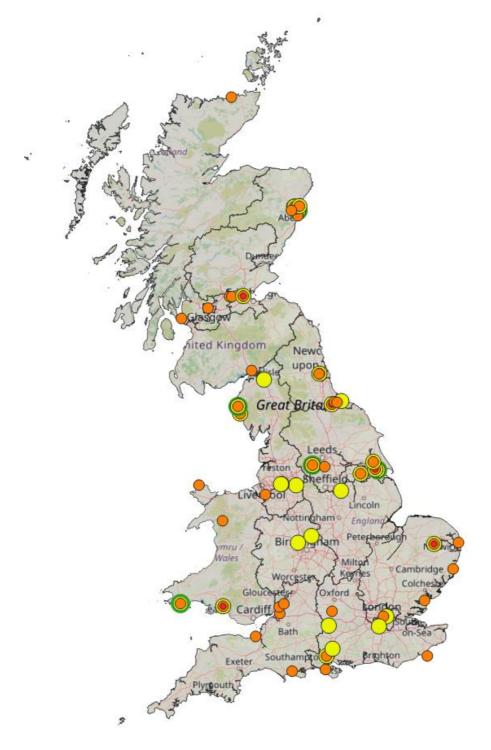

0	Reskill area	/ 5 locations
	Medium term (Q3-Q4)	/ 84 locations
	Short term (Q1-Q2)	/ 57 locations
•	Priority training for 2024	/ 17 locations

When do you predict the following training will be needed in 2024? Inspection (NDT, etc.)

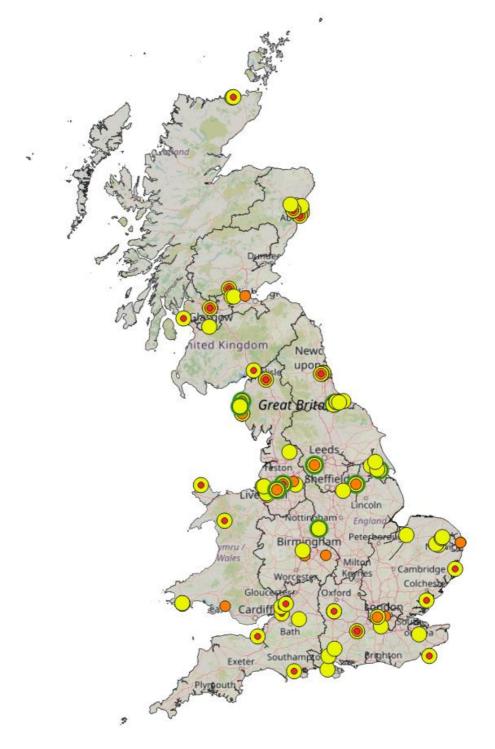

0	Reskill area	/ 5 locations
	Medium term (Q3-Q4)	/ 33 locations
	Short term (Q1-Q2)	/ 53 locations
•	Priority training for 2024	/ 7 locations

When do you predict the following training will be needed in 2024? Leadership and management (ILM, CMI, etc.)

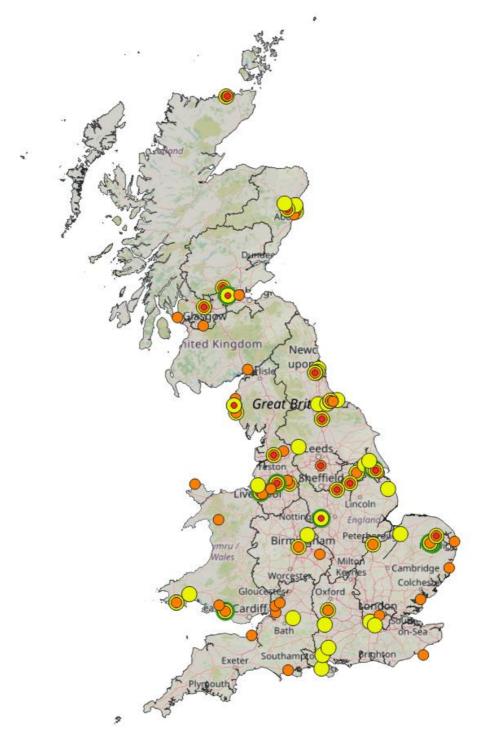

0	Reskill area	/ 12 locations
	Medium term (Q3-Q4)	/ 106 locations
	Short term (Q1-Q2)	/ 45 locations
•	Priority training for 2024	/ 34 locations

When do you predict the following training will be needed in 2024? Lifting (Slinging, rigging, cranes, etc.)

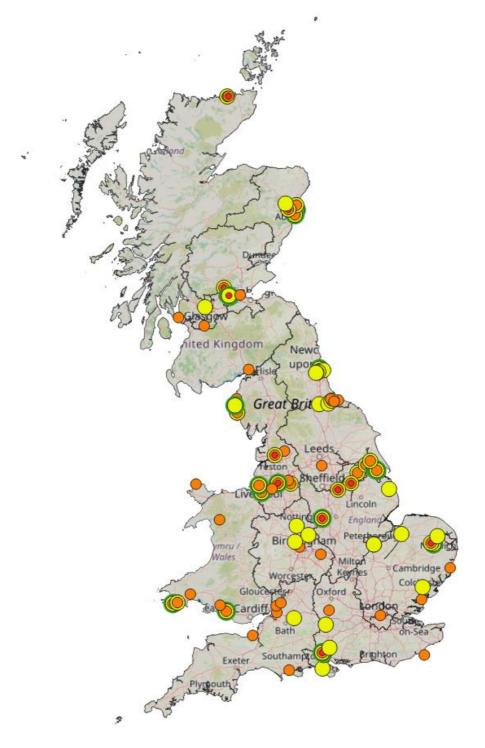

0	Reskill area	/ 12 locations
	Medium term (Q3-Q4)	/ 75 locations
	Short term (Q1-Q2)	/ 75 locations
•	Priority training for 2024	/ 24 locations

When do you predict the following training will be needed in 2024? Plant operations (FLT, driving, abrasive wheels, etc.)

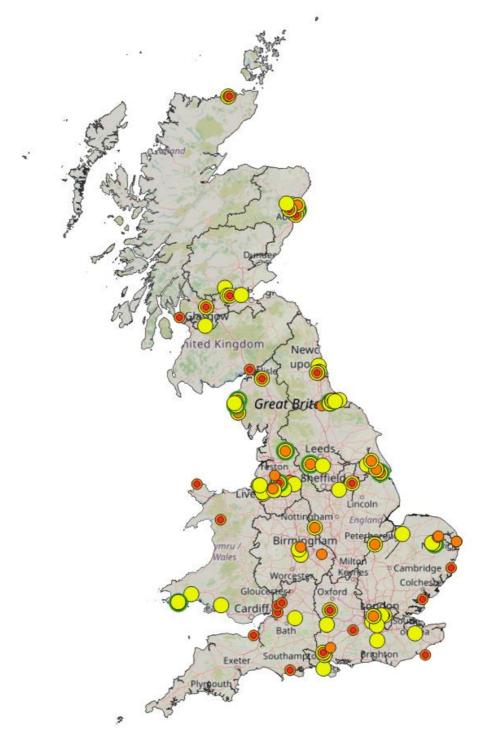

0	Reskill area	/ 20 locations
	Medium term (Q3-Q4)	/ 75 locations
	Short term (Q1-Q2)	/ 84 locations
•	Priority training for 2024	/ 21 locations

When do you predict the following training will be needed in 2024? Project management and control (APM, risk, estimating, contract, etc.)

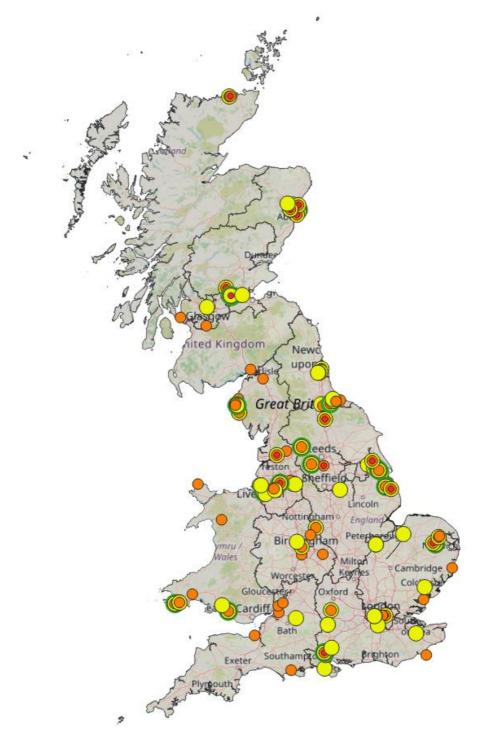

0	Reskill area	/ 11 locations
	Medium term (Q3-Q4)	/ 105 locations
	Short term (Q1-Q2)	/ 77 locations
•	Priority training for 2024	/ 40 locations

When do you predict the following training will be needed in 2024? Supervisory (ECITB supervisor, SMSTS, SSSTS, etc.)

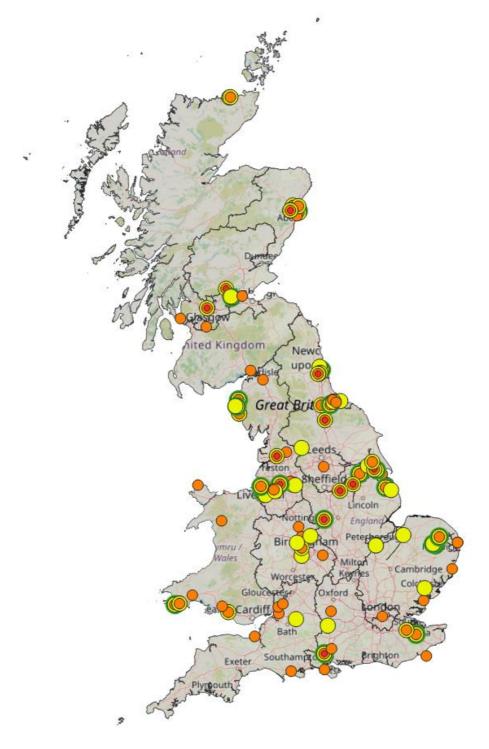

0	Reskill area	/ 18 locations
	Medium term (Q3-Q4)	/ 104 locations
	Short term (Q1-Q2)	/ 91 locations
•	Priority training for 2024	/ 36 locations

When do you predict the following training will be needed in 2024? Work access (PASMA, IPAF, confined space, IRATA, working at height, etc.)

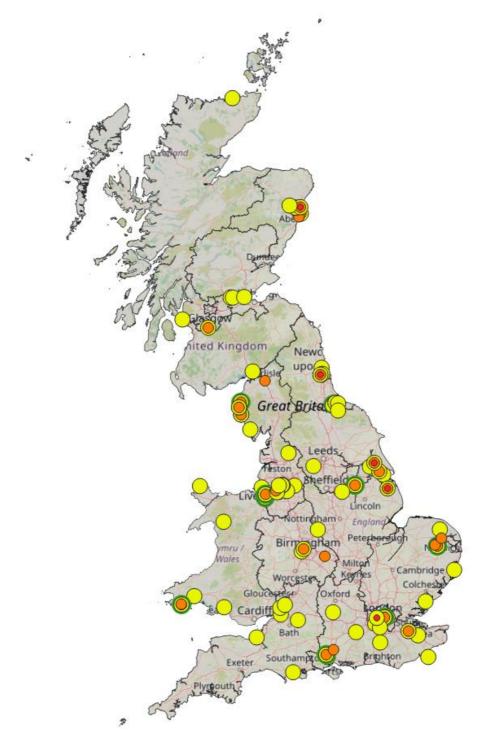

0	Reskill area	/ 24 locations
	Medium term (Q3-Q4)	/ 92 locations
	Short term (Q1-Q2)	/ 106 locations
•	Priority training for 2024	/ 27 locations

Which disciplines do you predict will require training in 2024? Commercial and contract awareness

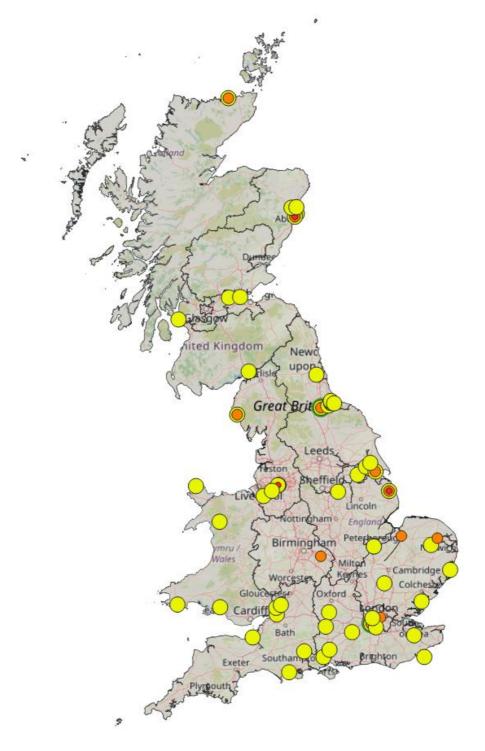

0	Reskill area	/ 10 locations
	Medium term (Q3-Q4)	/ 90 locations
	Short term (Q1-Q2)	/ 37 locations
•	Priority training for 2024	/ 10 locations

Which disciplines do you predict will require training in 2024? Design and draughting

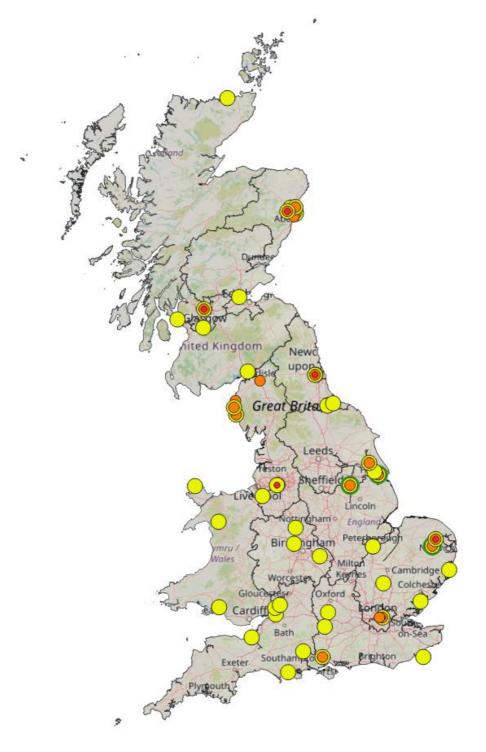

0	Reskill area	/ 2 locations
	Medium term (Q3-Q4)	/ 64 locations
	Short term (Q1-Q2)	/ 19 locations
•	Priority training for 2024	/ 7 locations

Which disciplines do you predict will require training in 2024? Electrical fitting

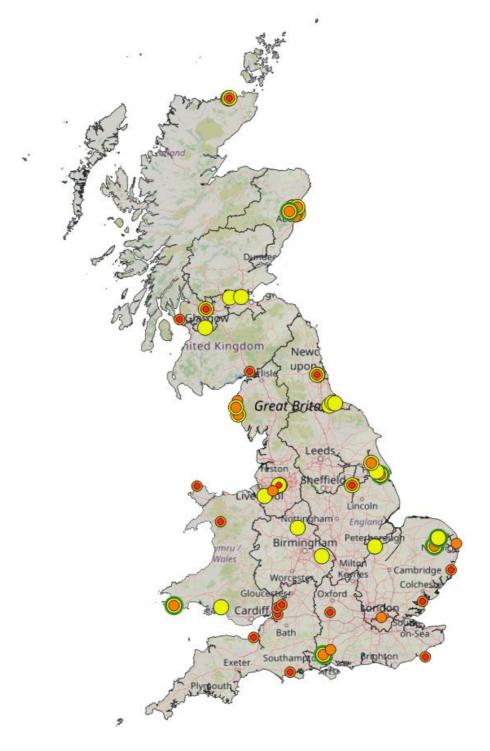

0	Reskill area	/ 4 locations
	Medium term (Q3-Q4)	/ 53 locations
	Short term (Q1-Q2)	/ 27 locations
•	Priority training for 2024	/ 8 locations

Which disciplines do you predict will require training in 2024? Electrical maintenance

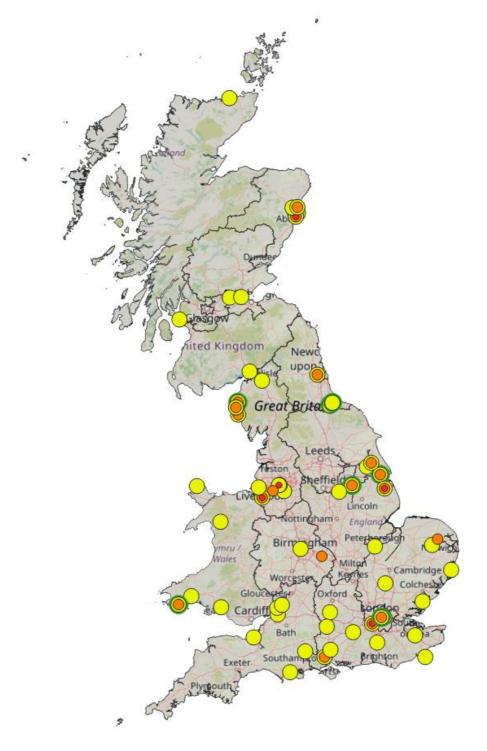

0	Reskill area	/ 7 locations
	Medium term (Q3-Q4)	/ 46 locations
	Short term (Q1-Q2)	/ 48 locations
•	Priority training for 2024	/ 22 locations

Which disciplines do you predict will require training in 2024? Estimating

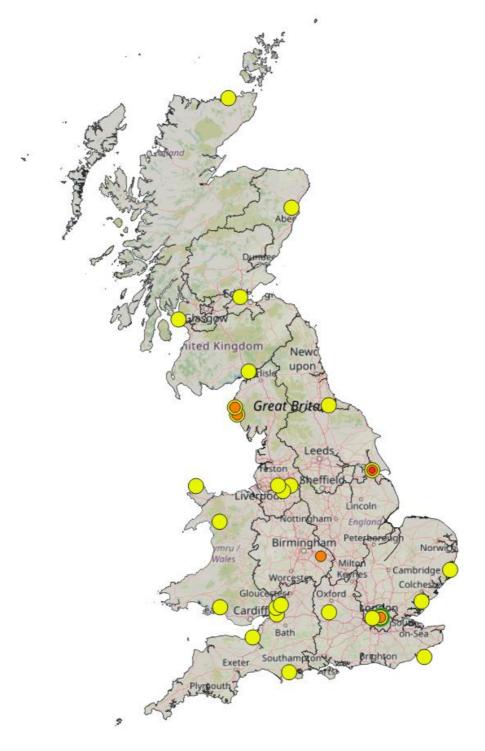

0	Reskill area	/ 9 locations
	Medium term (Q3-Q4)	/ 72 locations
	Short term (Q1-Q2)	/ 28 locations
•	Priority training for 2024	/ 7 locations

Which disciplines do you predict will require training in 2024? Industrial drones

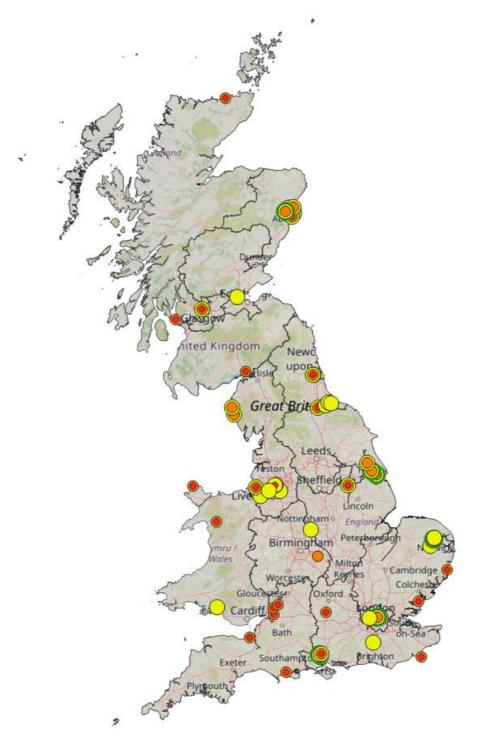

0	Reskill area	/ 2 locations
	Medium term (Q3-Q4)	/ 28 locations
	Short term (Q1-Q2)	/ 7 locations
•	Priority training for 2024	/ 1 location

Which disciplines do you predict will require training in 2024? Instrumentation and control

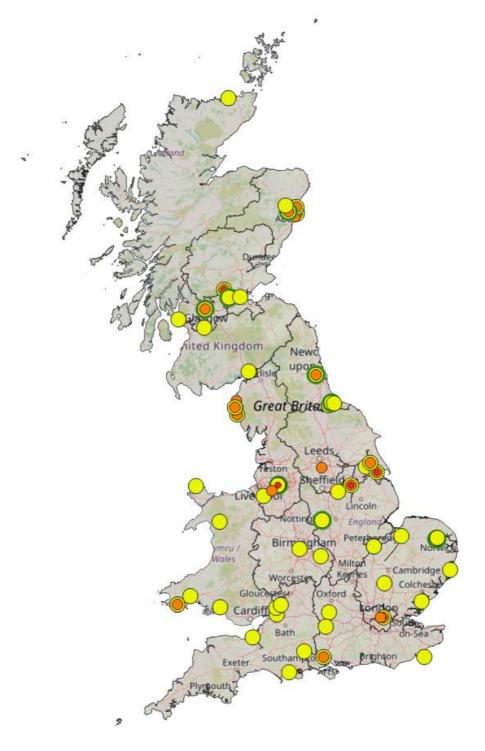

0	Reskill area	/ 8 locations
	Medium term (Q3-Q4)	/ 51 locations
	Short term (Q1-Q2)	/ 48 locations
•	Priority training for 2024	/ 29 locations

Which disciplines do you predict will require training in 2024? Mechanical fitting

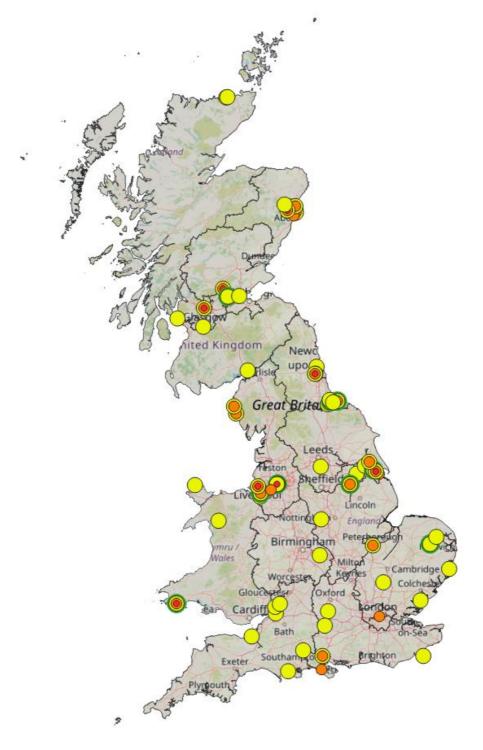

0	Reskill area	/ 11 locations
	Medium term (Q3-Q4)	/ 71 locations
	Short term (Q1-Q2)	/ 31 locations
•	Priority training for 2024	/ 7 locations

Which disciplines do you predict will require training in 2024? Mechanical joint integrity (MJI)

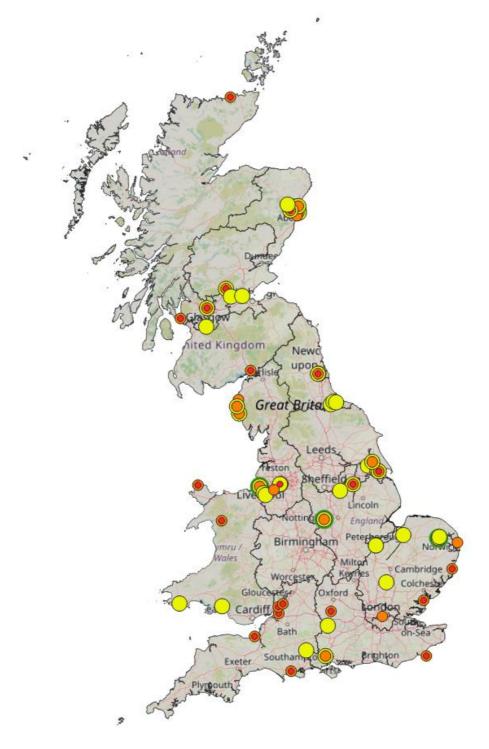

0	Reskill area	/ 12 locations
	Medium term (Q3-Q4)	/ 72 locations
	Short term (Q1-Q2)	/ 38 locations
•	Priority training for 2024	/ 14 locations

Which disciplines do you predict will require training in 2024? Mechanical maintenance

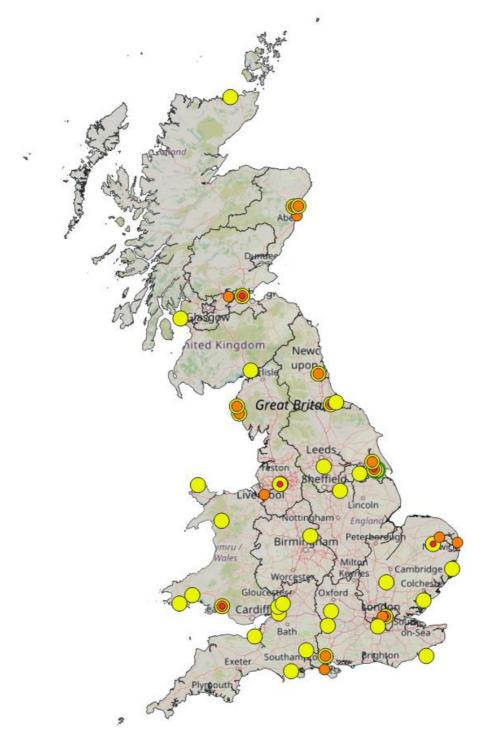

0	Reskill area	/ 5 locations
	Medium term (Q3-Q4)	/ 47 locations
	Short term (Q1-Q2)	/ 45 locations
•	Priority training for 2024	/ 25 locations

Which disciplines do you predict will require training in 2024? Non-destructive testing (NDT)

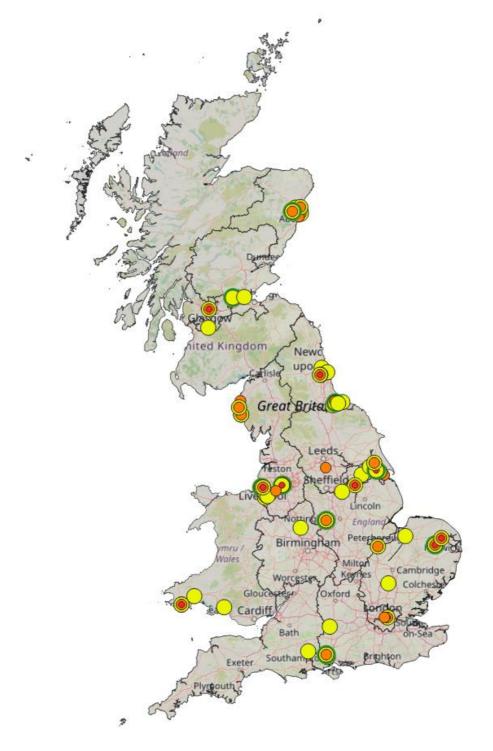

0	Reskill area	/ 1 location
	Medium term (Q3-Q4)	/ 44 locations
	Short term (Q1-Q2)	/ 25 locations
•	Priority training for 2024	/ 9 locations

Which disciplines do you predict will require training in 2024? Pipefitting

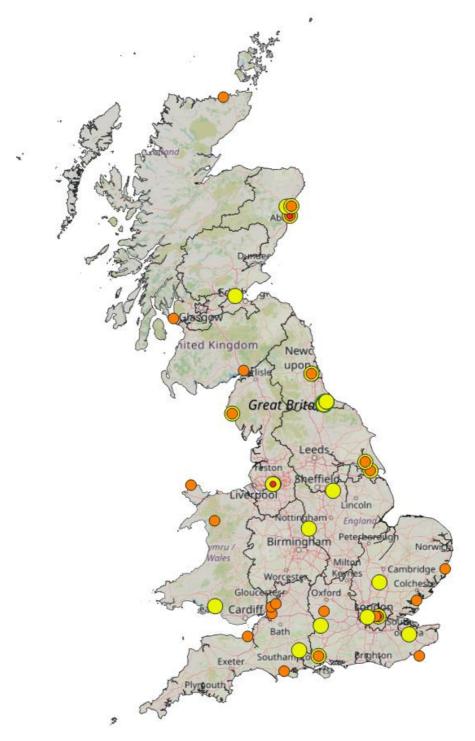

0	Reskill area	/ 12 locations
	Medium term (Q3-Q4)	/ 62 locations
	Short term (Q1-Q2)	/ 44 locations
•	Priority training for 2024	/ 18 locations

Which disciplines do you predict will require training in 2024? Plant layout and design

0	Reskill area	/ 1 location
	Medium term (Q3-Q4)	/ 27 locations
	Short term (Q1-Q2)	/ 29 locations
•	Priority training for 2024	/ 5 locations

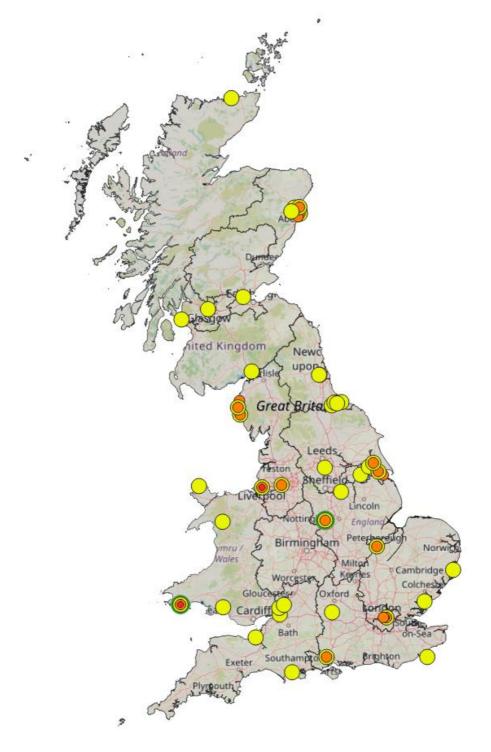

Which disciplines do you predict will require training in 2024? Plating

Reskill area / 4 locations

Medium term (Q3-Q4) / 49 locations

Short term (Q1-Q2) / 25 locations

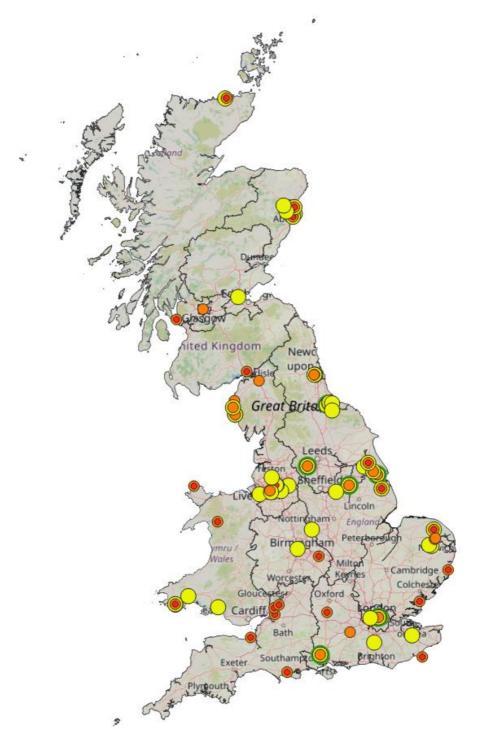

Priority training for 2024 / 6 locations

Which disciplines do you predict will require training in 2024? Project controls

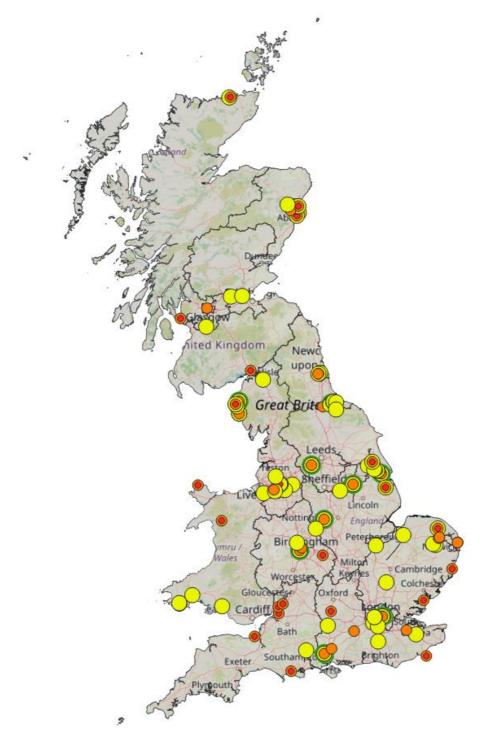

0	Reskill area	/ 7 locations
	Medium term (Q3-Q4)	/ 58 locations
	Short term (Q1-Q2)	/ 51 locations
•	Priority training for 2024	/ 30 locations

Which disciplines do you predict will require training in 2024? Project management

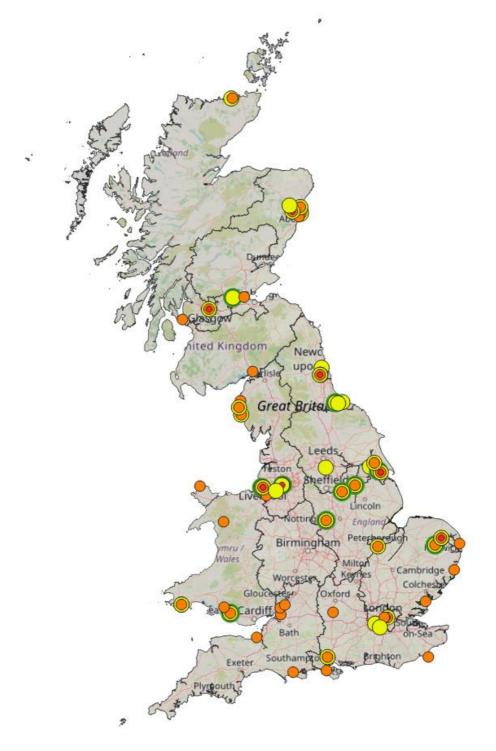

0	Reskill area	/ 11 locations
	Medium term (Q3-Q4)	/ 83 locations
	Short term (Q1-Q2)	/ 61 locations
•	Priority training for 2024	/ 32 locations

Which disciplines do you predict will require training in 2024? Rigging

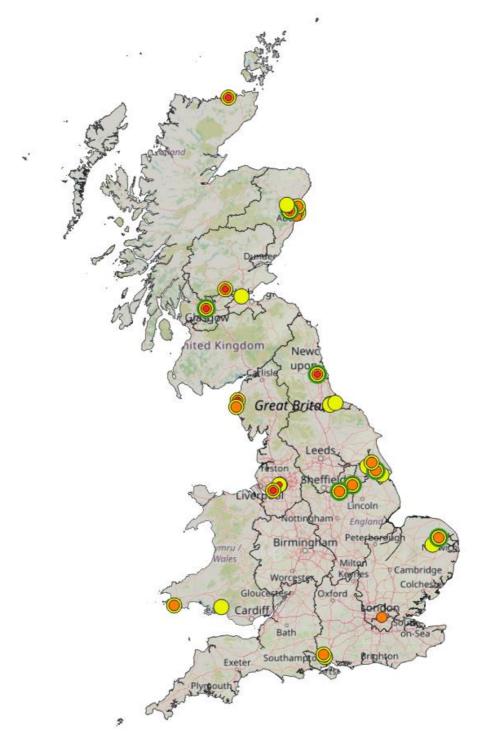

0	Reskill area	/ 13 locations
	Medium term (Q3-Q4)	/ 48 locations
	Short term (Q1-Q2)	/ 59 locations
•	Priority training for 2024	/ 12 locations

Which disciplines do you predict will require training in 2024? Small bore tubing (SBT)

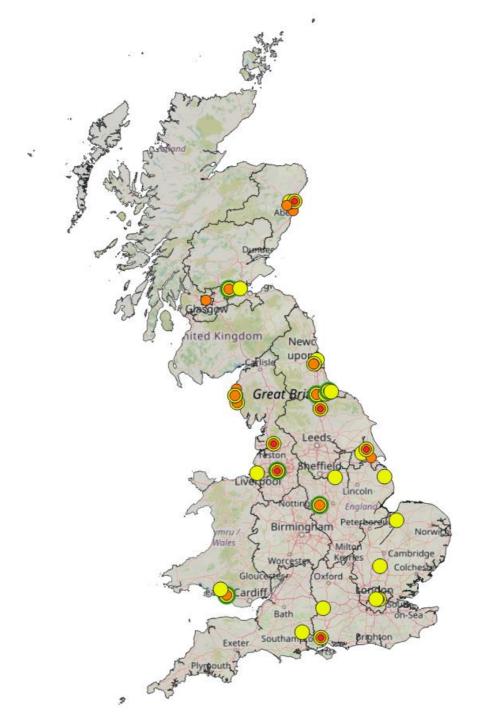

0	Reskill area	/ 9 locations
	Medium term (Q3-Q4)	/ 38 locations
	Short term (Q1-Q2)	/ 29 locations
•	Priority training for 2024	/ 13 locations

Which disciplines do you predict will require training in 2024? Steel erecting

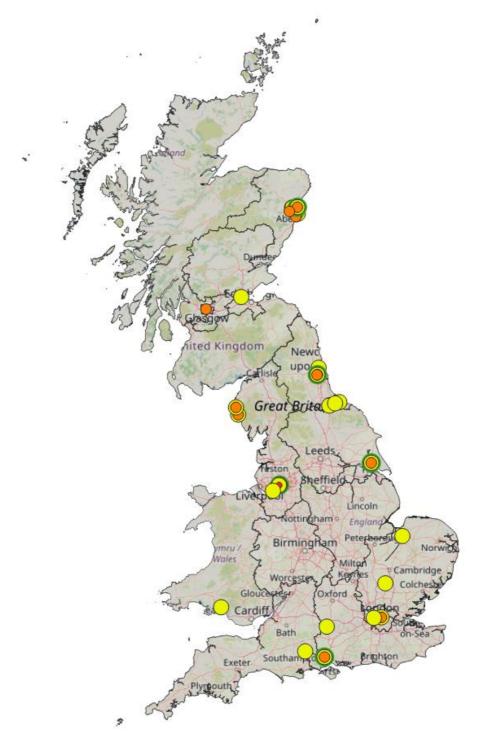

0	Reskill area	/ 8 locations
	Medium term (Q3-Q4)	/ 38 locations
	Short term (Q1-Q2)	/ 27 locations
•	Priority training for 2024	/ 10 locations

Which disciplines do you predict will require training in 2024? Supporting operative

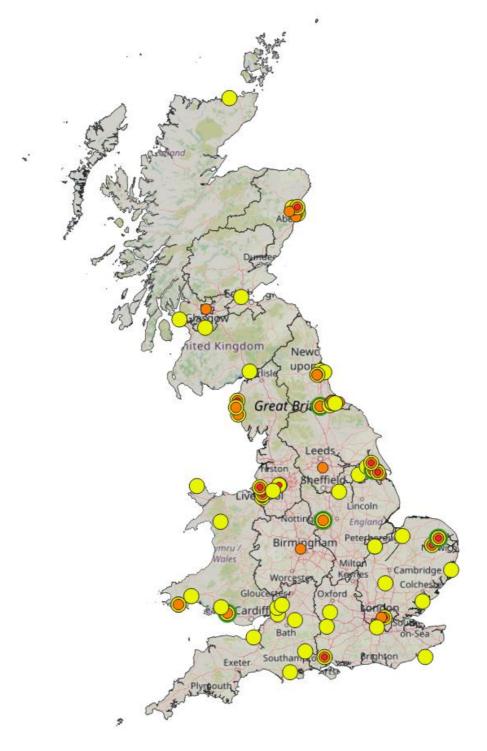

0	Reskill area	/ 6 locations
	Medium term (Q3-Q4)	/ 30 locations
	Short term (Q1-Q2)	/ 16 locations
•	Priority training for 2024	/ 2 locations

Which disciplines do you predict will require training in 2024? Welding

0	Reskill area	/ 7 locations
	Medium term (Q3-Q4)	/ 71 locations
	Short term (Q1-Q2)	/ 41 locations
•	Priority training for 2024	/ 21 locations

Which disciplines do you predict will require training in 2024? Wind turbine (incl. statutory inspection and hub rescue)

0	Reskill area	/ 5 locations
	Medium term (Q3-Q4)	/ 21 locations
	Short term (Q1-Q2)	/ 21 locations
•	Priority training for 2024	/ 11 locations
