Sponsorship opportunities

What is the Project Management Conference?

Hosted by the Project Management Steering Group (PMSG), the ECITB Project Management Conference is a flagship industry event dedicated to improve project management and leadership across the engineering construction sector.

It brings together professionals at all stages of their careers for a full day of knowledge-sharing, networking and practical insights focused on the evolving challenges and opportunities in project delivery.

Why sponsor this event?

Sponsoring the ECITB Project Management Conference 2025 offers a unique opportunity to align your brand with a leading event in the engineering construction industry.

With expert-led sessions and a highly engaged audience of project professionals, your sponsorship provides meaningful visibility and direct networking opportunities within the industry. It also allows for your company to demonstrate its leadership in shaping the future of project management.

- 1 delegate place

A woman with long dark hair, wearing a grey blazer over a white turtleneck, stands in front of a whiteboard. She is holding a blue marker in her right hand and pointing with her left hand towards a sticky note on the whiteboard. The whiteboard has several colorful sticky notes (pink, yellow, green, blue) attached to it. Some of the text on the sticky notes includes "UPDATE PIXEL to gather DATA", "API data on company title", and "TIME: USER -> API". The background shows a modern office environment with large windows and a blurred figure of another person in the foreground.
